

## TF EMPIRES

### State Business Registration Checklist

Make your business legally real — clearly, correctly, and confidently.

#### Before You File

- Confirm business name availability
- Choose the correct entity type
- Identify registration state
- Select a registered agent
- Gather ownership information

#### During Registration

- File formation documents
- Enter accurate addresses and contacts
- List owners or officers as required
- Pay state filing fees
- Save approved filing confirmation

#### After Registration

- Store official registration documents
- Verify appearance in state database
- Obtain EIN if not already completed
- Proceed with licenses, permits, and banking
- Record renewal and compliance deadlines

Legitimacy is the foundation of protection, trust, and growth.
